TURNING YOUR TRAGEDY INTO A RESCUE MISSION

BILL WILSON –METRO MINISTRIES, THE MOST SUCCESSFUL CHILDREN OUTREACH AND SUNDAY SCHOOL IN THE WORLD

Abandoned on a street corner by his mother at the age of 12, young Bill sat and waited for her on that corner; he waited 3 days, but she never came back for him. A Christian man who was on his way to see his son in the hospital stopped and asked him if he was ok. Anybody could have stopped, but thankfully it was a Christian man who did.

After getting him some food, this man then paid for Bill to attend a Sunday School camp. Never having heard the message of the Gospel before, that summer camp is where Bill first heard about Jesus. Nobody would pray for him at the altar because of how badly he looked and smelled,

so all alone he attempted his own prayer to God saying, “My mother doesn’t want me; the Christians don’t want me, but if you want me, here I am.” That was the start of his own personal relationship with Jesus and his incredible walk with God.

Pastor Bill’s own life testimony has given him a unique perspective and heart of compassion for children growing up in situations just like he did; children born into difficult circumstances, surrounded by violence, alcohol, abuse, neglect, abandonment and poverty. Pastor Bill knows from his own personal experience that hopelessness and pain can only truly be met by the love of Christ; and that no matter your humble circumstances and beginnings, God still has a special plan for each and every life.

Pastor Bill established Metro World Child, formerly Metro Ministries, in 1980 in Bushwick, Brooklyn, in what was one of New York’s toughest neighborhoods at the time. It was most commonly known for its history of gang violence, crime, drugs and poverty. In the earlier years of his work, Pastor Bill was beaten, stabbed and even shot. He, however, persevered and refused to leave the neighborhood; believing that the situation wasn’t hopeless, that the children and their families just didn’t have any hope. He persisted in doing Sunday School programs and reaching children with the hope of Jesus, eventually expanding into all 5 boroughs of New York City and many other places around the world as well.

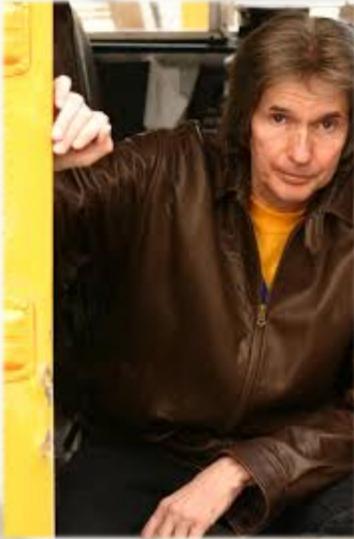

Today, Pastor Bill’s unique concepts of outreach and Sunday School programs, along with training courses and curriculum development, are now replicated globally. He holds a Phd

from the University of Wales and is the author of several books, including his bestselling autobiography, ‘Whose Child is This?’ He also travels extensively, frequently receiving invitations to churches, conferences, television programs and radio broadcasts.

BILL WILSON ADDRESSES THE COVID-19 IMPACT ON HIS MINISTRY

Well hey folks, I'm here at the Metro World Child Center in Brooklyn New York. I've been looking out on the street, it's pretty quiet out there today. Most of you know that not only New York City is in lockdown, it just seems to be the word that everyone's using and people have been asking us, 'How does this affect the ministry? What's going on now?' I wanted to give you just a quick update to let you know. I've been on these streets for forty years, I'm not a stranger to any kind of issues small or large, most of you know that. But this has been different, it's been a struggle, it's been a fight and I understand that. Many people, many of you if you're watching have had your own problems, your own struggles and I wanted you to know, from me, what's going on here, what we're doing not just here in New York City but all over the world.

Our ministry programs here at Metro have not shut down, not here in New York, not anywhere in the world. We're still rolling, we've had to modify some of the ways we've done things. It may look a little different, may sound different but the reality is, we're still here. The team is still here and since we haven't been able to do the large groups for Sunday school as we've been used to doing all these years, we've been able to do some different modifications that, to me, are quite exciting. Whether it's been online ministry,

whether it's just been on phone, whether it's collecting in small groups and this still allows us to reach kids with the gospel just in a different way, to connect with families in a different way, to provide needs for them that in so many cases the cities that we serve around the world can't even provide. We've set up a call center right here at the headquarters where children can call in and their families can call in if they have physical needs, spiritual needs, psychological needs... we're here. You know we all live here, this is a 24/7 ministry, it's important that all of you know that.

I tell you what, the pressure is on here, the pressure is on for all of our staff all over the world and it's easy to allow that fear, to allow the doubt, to allow the stress to get to us but you heard what I said, our commitment, my commitment and I know most of your commitments to this ministry for keeping the gospel in front of these kids is stronger than your emotions. It was just two weeks ago that I took a team to the Philippines like I do every year, amazing teamwork in the Philippines! Found a little girl whose intestines were literally hanging outside of her body. It will break your heart folks but our team's there representing you, we are your missionaries. In Kenya they sent me a video just a few days ago of a little boy, couldn't be more than five or six years old, chasing after one of our Metro Sunday school trucks because he just wanted just a little bag of flour that our team was providing for the sponsored kids and the families. I get some pictures three days ago of our Pastor Paven from north of Kathmandu in Nepal. They're building a Sunday school church on the side of a mountain. They sent me pictures of the truck delivering the bricks, but there's no road going up the mountain. So now the volunteers, our team in the middle of all this coronavirus mess, carrying by hand, one in each hand, walking up the mountain with the bricks to build the church to reach people for Jesus Christ!

Come on folks, we are your missionaries, we represent you all over the world even in tough times and I remember I sat with Robert Schuler years ago, he was going through a tough time but he looked at me in his office, he said, 'Bill remember this, tough times don't last but tough people do.' Yes they do. Ordinary people that are tough enough to make a difference, tough enough to stay in the fight, tough enough to overcome everything that the enemy is gonna throw at us. We are your missionaries, we represent you all over the world. I think we represent you pretty well in Jesus name.

As soon as all the dust settles folks, everything's gonna resume. We've gotta be prepared. Right now we're in the process of building more trucks, our team in the Philippines is already expanding into another cemetery... oh yeah, you heard me right. We're doing Sunday school in one cemetery in Manila but I just was made aware that there's a second cemetery where the kids live amongst the remains of dead people. That opportunity is there. Within the last hour of talking to you here, I just found out that the door to Nigeria into Lagos, the largest city on the continent of Africa, has now been opened to us. Folks, without you none of this can happen. Without you we would not be reaching 250,000 kids a week like we do through Metro Sunday school. That's never been done in world history, we're a part of history not because of the virus, but because of what the Lord has done through us, with your help, together to power partnership making a difference.

IMPRESSING THE URGENCY OF THE TIMES

WARS, RUMORS OF WARS

NATIONS AGAINST NATIONS

EARTHQUAKES

FAMINE : The world is facing widespread famine “of biblical proportions” because of the coronavirus pandemic, the chief of the UN’s food relief agency has warned, with a short time to act before hundreds of millions starve.

More than 30 countries in the developing world could experience widespread famine, and in 10 of those countries there are already more than 1 million people on the brink of starvation, said David Beasley, executive director of the World Food Programme.

PESTILENCE/ VIRUSES

FALSE PROPHETS SHOWING GREAT SIGNS TO DECEIVE. In this publication we hear the confession of this Satanist man of God who has shared the platform deceptively with respected men of God with international ministries.

SATAN HAVING GREAT WRATH FOR HE KNOWS HIS TIME IS SHORT

CONFESSION OF A PROPHET

Jay Israel, a minister of the gospel who featured as a close associate to a number of world respected ministers and prophets and who has pastored his own congregation with hundreds of members for years confesses to having been a Satanist all these years. Israel stated his change of heart came when he had a vision of hell about a year ago at which time he started his back to Christ message.

He has since begun attacks on some well-known men of God whom he has been associated with and it appears his current ministry is to see them and their networks destroyed.

We will be looking at his testimony about his initiation into the occult soon, however, the question the world will want to know is,

“Is this prophet truly converted?”

We will raise the concerns later in this magazine.

THESE ARE THE END TIMES AND THE BRAZEN INFILTRATION OF THE CHURCH WITH DEMONISM AND OCCULTISM ONLY GOES TO PROVE THE URGENCY OF THE TIMES!

THE CHAPTERS SELECTED FROM THE CWDS BIBLE FOR READING IN THIS ISSUE SPEAKS TO THESE OCCURRENCES AND HOW TO JUDGE THEM.

APOSTLE PROPHET JAY ISRAEL'S TESTIMONY

I remember when I was nineteen years old, I remember very well it was some months after I started the church in Zimbabwe and when I started that church I had some accomplices at the time, things happened one thing led to the other, I was staying with a family and that family kept me in prayer. They took care of me from I was seventeen years old up to the time when I was about nineteen or twenty, but they took care of me, they were praying with me, they kept me, they were jealous of what I had (these are people who are well known in Zimbabwe so there is nothing sinister about what I am saying) they kept me in their house, they were praying with me. The church that I started in Zimbabwe, I started that church in their house, we bought a tent, we put that tent in their backyard and they took care of everything. I remember they told me, “Listen Jay, don't collect offering, don't take money from anybody. Anything that you need we are going to supply it to you. We are going to give you everything that you need, the only thing that we want you to do, we just want you to preach the gospel.

I am very proud of this family, I call them my parents and as much as they are not my biological parents these are my parents based on our relationship that we have. They were very jealous of me at the time, not that they were jealous of what I had but they were jealous in such a way that they were keeping me close, they did not want anything to happen to me, that is the level of jealousy they had because these are very spiritual people, they understood everything that I have and everything that I carry, they understood the depth of my calling and they tried to contain me so hard but I remember we had an all-night prayer in Zimbabwe and I invited a guest who came all the way from Ghana, those who were in Zimbabwe with me remember very well.

I knew nothing about the occult, I was serving God with a pure heart with a pure mind but when this man of God came all the way from Ghana, he came down to Zimbabwe and when he came he spoke to me and said, “**My brother, you know what, I can help you with spiritual power, there are places that I can take you to, where I can assist you to gain whatever you wanted to gain, if you want power, if you want to make money, if you want to prophesy deeper in the spirit, if you want to see, if you want to move in deliverance, whatever that you need we are going to give it to you.**”

That was the promise that this man made to me and I remember very well when this happened I spoke to my leaders at the time in Zimbabwe, there are witnesses where I spoke to my leaders that I needed to take a trip to go and preach in Ghana and that was how I put it. I said I am supposed to preach in Ghana so help me with the flight tickets. When I was now getting myself into this thing I was drifting away from this family because this was a highly spiritual family that I spoke about.

CONFESSION OF A SATANIC PROPHET—CONT'D

I was drifting away, running away from them because I knew that what I was about to get myself into they were one way or the other going to pick it up in the spirit so I disconnected myself from them. I left the house; I rented myself an apartment somewhere and started staying by myself and that was when I travelled.

I remember we took a flight from Zimbabwe and we entered Kenya and then from Kenya, to Ghana. The said what we need is not here. We went from Ghana and crossed into Togo. Ghana and Togo are right next to each other so we walked into Togo and we proceeded from Togo to Benin. When we went to Benin we went to a place called Cotonou. Cotonou I believe is one of the highly spiritual places, probably the capital city of witchcraft and voodoo in Africa.

When we got to Cotonou, we took a drive. It took us close to six hours to get to the village but when we got to this place I was given different options of things that I could get.

They said, "If you want to do money, if you want to make money, if you want to become a millionaire and you just have snakes spitting money in your house, you could just have dwarves just bringing money for you, it can happen, we can do it for you, it is possible."

When all this was happening they gave me different options: If you want to grow your church, if you want to kill somebody, if there was someone you don't like and you want to terminate, if you want spiritual power, if you want people to fear you when you get to a place you carry a certain presence over you that anyone who look at you will be so afraid of you. If you want power that anytime you lift up your hands people just start falling; if you want healing power we can give you; if you want power for crowds in your church, choose whatever you want. At that time I was a very young man, very ambitious, I wanted to become the best. So I said, "Tell me if I want to make money what is the requirement. If I want a money ritual what was the requirement for me to do a money ritual.

They said, You would have to do a human sacrifice of the closest person in your heart. If you are married it would be your wife. If you had children it would be your child. If you were not married then it would be your mother, your father or any of your family members. You just tell us what you want then it can be facilitated."

I know that this information that I am sharing with you right now is not supposed to be shared.

In the village, there were babies, babies everywhere, small babies. I asked, "What is the main purpose for all these babies.

He said, "Some of these babies they are for sacrifice. There are people who come here and they just bring money. They come with money and buy the baby here and then the baby is sacrificed for you here and then you just go."

Very scary stuff. There were a lot of funny things. There were animals there, there were snakes, a whole lot of different things. Then they said, "Tonight you are going to sleep in a room, after you have decided whatever you want to get."

The guy who took me there was somebody who was already aware of these things so he was just pushing me and saying I am ok you tell him what you want. It was a very old man, he couldn't even speak proper English. I told him what I wanted.

I told him, "The money ritual is too heavy for me; I cannot sacrifice any person; I cannot put human life at stake. I cannot do that so tell me about other things I can do. So they said, "This is lightest thing you can do since it is your first time here. We can give you a god. We can initiate you, give you a god, this is a god that you are going to be worshiping. You are going to be talking to your god anytime you want anything. You invoke the spirit; the spirit will come out and possess you, then you go and do whatever you want to do out there when you are back in your country."

So I said, "What is the condition for me to have spiritual power because I want spiritual power." By the way I had my prophetic gift from a very young age. God called me into ministry. The calling that I possess, I believe it is a genuine calling from God but because of these things we get along the way it gets contaminated. Before I travelled I was already prophesying but the depth of the prophecy was not that deep. It was shallow prophecies where at times you get to church you try to prophesy but nothing will come at times. It was not as deep as I wanted it to be. So I said I wanted very deep spiritual gift; I wanted to see."

So they said, "No problem. That is what you will have then."

CONFESSION OF A SATANIC PROPHET—CONT'D

I also wanted power, spiritual power that anywhere I go will be heavy. I want to be heavy, I want this heaviness to be upon me, to be upon my life. I want anywhere I went people would feel something about this guy. They said, "Ok, no problem. We are going to do this for you."

The first thing we went into this room. They said, "You are going to sleep in that room, it was a very small dark room.

They said, "Take off your clothes. You are going to sleep naked and around twelve in the night (twelve o'clock is the separation of morning and night; there is no following day without twelve midnight. Twelve midnight was a highly spiritual time of the night that is very important, especially in the occultist kingdom. A lot of spiritual movement, spiritual activities take place at twelve midnight. The same applies even in the kingdom of God and that is why I always advise people, anytime you want to pray go, on your knees at twelve midnight because anyone who tries to do any spiritual thing to you at twelve midnight is when those things are done because it is an hour of separation- these things that I am sharing now, it took me years for me to be set free from what I am sharing with you now and it took so many years to carry even the boldness to come and speak about it in public.) He came to me twelve midnight and said the first thing that we are going to do to you is that we are going to give you protection because

before we give you the power or give you anything you have to be spiritually protected."

They came with a razor blade; they use the razor blade on my body; they put incisions on my body. They cut my body up in different places, in the front, at the back on my feet on my hands, everywhere. After they cut there was a black substance that they use to rub in there. As this substance was being rubbed on my body I remember the feeling that I had, like something was being taken out of me and there was a new me that was coming out, there was a feeling that I felt, a heavy feeling that came upon me as this thing was being rubbed on my body.

I felt like I am no longer myself but this was now somebody else. They rubbed it all over and the following day there was a mixture of leaves and things that they brought to me. There was a mix of blood, pigeon blood. Those pigeons were killed and it was mixed and then they poured everything on me.

After they poured everything on me I remember very well they said, "Now the first part of protection is done and the next thing that is going to happen we now need to initiate you and introduce you to the god you are going to be worshiping. Ass you go back to your country we are going to give you something that is representing this god and this is going to be your idol. Anytime you want anything, anytime you want to go and preach, anytime you want to go and prophesy, anytime you want anything to happen, this is the god you are going to bow down and sacrifice to."

After that was done we went into a different room. This was a room with different idols, very scary stuff. Some had blood dripping on them. Some wooden sculptures had different faces. They were everywhere. As I was there all these things were all over. They took out a horn and on this horn there was some meaty stuff. It was a very big horn with a very big head and on the head it had some meaty stuff. From the time I can tell you I took that horn and I flew it to Zimbabwe, up to the time I threw that horn away the meat on that horn was still fresh. It had not yet dried up. It had not got rotten it was still fresh as it was. It was stuffed in a red cloth. It was used to cover the whole thing and then they tied it up, took me in and said, "Come and do the language, you bow down to the main god that was in that room, talk to him, they gave me the words to use. You would be talking and communicating with this god and as I was communicating with the god and mentioning these words I remember there was this feeling that I had. Something came and it possessed me at that very same time and I believe that was the initiation process. I spoke what I spoke and they said take one of the pigeons. I cut off the head of the pigeon then. They said, "Sprinkle the blood on the head of the horn that you have."

When I was done they said I was going to lick the blood three times, then take gin.

Drinking is a part of the ritual that you do, before you go to prophesy in the church we have to drink first. You put the gin in your mouth then you spit it on the head of the horn. Then you speak what you want to the idol and the moment you get to church people will be falling all over the place. People will be screaming and shouting. Some will be losing weight, there were instances happening in church where people just lost weight in East London, the video on YouTube and as I was there, this is spiritual power that was at work.

CONFESSION OF A SATANIC PROPHET—CONTD

Then they said, “You are going to carry that thing with you to Zimbabwe. Not even one person is going to open that bag.” I can tell you that on my way back from that place the initiation process was done. They gave me the words that I was going to use.

They told me, “When you get home, every day before you sleep you have to speak to this god and then every day before you go to church before you go to any gathering you have to sacrifice on it. You have to sacrifice either a chicken or a pigeon. Sprinkle the blood on it. Take the gin, put it in your mouth and spit it on the head of that thing. Then you tell it whatever you want. As I left that place I was memoriz-

ing all these words.

They said, “Some of these words, when you get to church you must use them as tongues because people don’t understand what you are saying when you speak in tongues You will be invoking the spirit to come and be in that particular place.”

I paid the amount of money I had to pay. They told me that after six months to come back and renew what we have given you, you must come back for renewal if I wanted to increase and take it to the next level.

They tell me the conditions before I talk to this god, I must make sure I have not touched a woman and the different conditions as you go deeper in occultist. Before you go to church service there are different conditions, like you must sleep with a virgin woman once or twice a month, it is part of the rituals that are done. I never took that one so I don’t know the depth of it. As I did my rituals before I went to church you have to be completely naked so it has to be in a room that nobody enters or it has to be kept in my bedroom and where I keep it I must make sure nobody touches it and nobody sees it and those were my conditions that I was given.

According to Apostle Jay, he threw away the god after some months but he has been harassed in his sleep every since. Sleeping at nights became a challenge.

JAY ISRAEL HAS CONTINUED TO MOVE IN THE PROPHETIC WITH THIS DEMONIC ANOINTING WITH MIGHTY SIGNS AND WONDERS. HE HAS TURNED WATER INTO WINE IN CHURCH AMONG OTHER THINGS.

He admitted that he had something on him that cause spiritual leaders to engage him and bring him close to them. He has been close to spiritual leaders with great reputation but none of them have not picked up the spirit the evil spirit he had in him.

Since his conversion he has turned around to attack many of these leaders with venomous and grievous accusations.

WHILE THE DEMONIC ANOINTING HE CARRIED IN THE PAST IS PLAIN BY HIS CONFESSION, THE QUESTIONS REMAIN ABOUT HIS PRESENT; HIS MISSION AND WHO HE IS CURRENTLY REPRESENTING.

He admitted to having faked miracles, involvement in immorality and sexual impropriety, and according to him “Anything else you can accuse him of.”

It appears his current mission is to take down well-known men of God and to classify them with him in all these activities. He even places himself as the frontman for some of them in fixing miracles.

Prophet Jay makes it abundantly clear that he had the prophetic before the demonic and it appears that he intends to continue in this ministry while the other men of God are brought down.

THE MAIN QUESTION IN THE PUBLIC’S MIND IS: IS PROPHET JAY TRULY CONVERTED OR IS HE STILL FAKING IT WHILE ON A DIABOLICAL MISSION AGAINST THE CHURCH?

WE LOOK AT THE ARGUMENTS AFTER THE BIBLE READING!

DEUTERONOMY 13—CWDS BIBLE WITH QUOTES & PRAYERS

DEALING WITH FALSE PROPHETS

**SHOW to me your signs;
Perform your wonders before my eyes,
But if you do not speak what God has command-
ed,
What you say is altogether a lie.
Walk after the Lord and fear Him,
Cling to Him and serve Him;
Move from your company mother, brother, son
or daughter, who reject His word, and refuse to
hear and heed Him.**

DEUTERONOMY 13

1“Mr. Prophet, Mr. Dreamer,
Show me your wonders and your signs;
2“No wonder, so impressive,
It comes to pass before my eyes.
But wait there, Mr. Prophet,
What you say is not God’s word;
We do not know the gods you worship;
Do not tell us to bow down and serve.
3“You shall not listen to the prophet or dreamer,
For the Lord God is testing you to know,
Whether you will love the Lord your God,
with all your heart and with all your soul.
*@Yes, my God, I will love you
With all my heart and soul;
I will be steadfast, Lord, to prove it,
I will tell You so You know.*
4“Walk after the Lord your God and fear Him,
keep his commandments and obey His voice;
serve Him and hold to Him steadfastly, all the days of your
life.
5“But that prophet or that dreamer, shall be put to death,
for he has spoken to turn you away from following the
Lord, who brought you from Egypt and redeemed you
from bondage.
His mission was to entice you from following, the way the
Lord commanded you to walk. Put that evil from your
midst, serve the Lord with all your heart.
6“If your brother, your mother’s son, your son, your
daughter, the wife you so love, or a friend who is very close,
secretly entices you saying, ‘Let us go and serve other gods,’
which you nor your father have known,
7“gods of the people in the nations all around,
whether they are near or far, from one end to the other end
of the earth,
8“do not consent or listen to him;
Nor shall your eye pity him, nor shall you spare or conceal
him;
9“but you shall have him killed;
your hand shall be the first against him to put him to
death,
and the hand of the people afterwards.
10“You shall stone him with stones until he is dead,
because he sought to lure you away from the Lord your
God who brought you out of Egypt, out of bondage.
11“So Israel will hear and fear and no more do such wick-
edness as this among you.
12“And if you hear someone in any of the cities the Lord
has given you to dwell say,
13‘Corrupt men have gone out from among you, and en-
ticed the inhabitants of the city,
saying, “Come let us serve other gods you have not
known,”

14“Search out and seek diligently;
If it is true and proven that they have done such an
abominable thing,
15“Strike the inhabitants of the city with the sword, until
it is utterly destroyed,
all that is in it along with its livestock.
16“You shall gather all its spoils into the midst of the
street,
and completely burn up the city and the spoils with fire
for the Lord’s sake.
It shall forever be a heap, never to be built again.
17“None of the accursed things shall remain in your
hand,
that the Lord may turn from His fierce anger and show
you mercy,
that He may have compassion on you and multiply you,
as He swore to your fathers.

18“for you have listened to His voice, to keep all His
commandments which I command you this day,
to do what is right in the sight of the Lord your God.”

PRAYER POINTS

Let every false deceptive spirit operating in the church-
es be scattered to desolation by fire, in the name of
Jesus.

Let the spirit of indignation rise against every Satanic
agent planted among the people of God to turn
their hearts from You Father. Amen.

Father God, let every stubborn agent of the enemy in
my family, be exposed and be removed by fire, in
the name of Jesus.

King of Glory, by the Holy Ghost and fire, I refuse to be
distracted and diverted from my ardent love and
pursuit of You, in the name if Jesus.

2 PETER 2—CWDS BIBLE WITH QUOTES & PRAYERS

FALSE PROPHETS—AN END TIME REALITY

**GOD knows how to deliver the godly from temptation;
He knows how to deliver you.
And He also has the power to reserve the ungodly for judgment, so be careful what you do.
He who did not spare the angels, and in the days of Noah sent a flood.
Sodom and Gomorrah knew His wrath quite well;
So righteous or wicked, any way it goes,
to deliver and to reward... truly, God knows.**

2 PETER 2

¹But there were also false prophets among the people, even as there shall be false teachers among you who will secretly bring in destructive heresies, denying the Lord who bought them; bringing on themselves swift destruction.
²And many will follow their destructive ways, by reason of whom the way of truth shall be spoken of as evil.
³By covetousness, they will exploit you with deceptive words; whose judgment, for a long time, has not been idle, and their destruction does not slumber.
⁴For if God did not spare the angels who sinned, but cast them down to hell and delivered them into chains of darkness to be reserved for judgment;
⁵And he did not spare the old world, but saved Noah, one of eight persons, a preacher of righteousness, bringing in the flood on the world of the ungodly;
⁶And turning the cities of Sodom and Gomorrah into complete ashes, condemned them with an overthrow, making them an example to those who afterwards shall live ungodly;
⁷And He delivered just Lot, vexed with the filthy conversation of the wicked.
⁸(For the righteous man dwelling among them, tormented his righteous soul from day to day, by hearing and seeing their lawless deeds).
⁹The Lord knows how to deliver the godly out of temptations and to reserve the unjust for punishment unto the day of judgment;
¹⁰but especially those who walk according to the flesh in the lust of uncleanness and despise authority. They are presumptuous and self-willed. They are not afraid to speak evil of dignities,
¹¹whereas angels, who are greater in power and might, do not bring reviling accusation against them before the Lord,
¹²but these, like natural brute beasts, made to be caught and destroyed, speak evil of the things that they do not understand. They will utterly perish in their own corruption
¹³and will receive the reward of unrighteousness, as those who count it pleasure to riot in the daytime. They are spots and blemishes, sporting in their own deceptiveness while they feast with you,
¹⁴having eyes full of adultery and that cannot cease from sin, trapping unstable souls. They have a heart trained in covetous practices and are accursed children.
¹⁵They have forsaken the right, having gone astray,

following the way of Balaam the son of Bosor who loved the wages of unrighteousness;
¹⁶but he was rebuked for his iniquity a dumb donkey speaking with a man's voice, restraining the madness of the prophet.

¹⁷These are wells without water, clouds carried by the tempest, for whom the pitch of darkness is reserved forever.
¹⁸For when they speak the great swelling words of vanity, they allure through the lust of the flesh, through lewdness, the ones who have actually escaped from those who live in error.

¹⁹While they promise liberty to them, they are slaves of corruption themselves; for by whom a man is overcome, by the same he is brought into bondage.

²⁰For if after they have escaped the pollutions of the world through the knowledge of the Lord and Saviour Jesus Christ, they are again entangled in them and overpowered, the latter end is worse for them than the beginning.

²¹For it is better for them if they had not known the way of righteousness, than having known it, to turn away from the holy commandments delivered to them.

²²But to them it has happened according to the true proverb,
"A dog returns to his own vomit;
a sow who was washed to her wallowing in the mire!"

CWDS Bible Quotes

Deception rides in high places to rival the truth but the sword of judgment and destruction runs in low and hidden places to avenge the truth.

Covetousness causes corrupt people to compete with Christ for glory and for the souls of men.

It is deception to appreciate the goodness of God and deny and dismiss His judgment; God is absolute in His ways, character and grace, but He is resolute in judgment.

Your action will attract affection from God or attain His disaffection, anger and judgment.

There are fallen angels roaming the earth as evil spirits and demons and there are angels in chains restrained until the Day of Judgment, but all deviant angels are condemned to one fiery judgment with time.

Your righteousness may save you from an evil world but only your effort in reaching and changing your world can save your world with you in it from its evil judgment.

It does not matter how righteous you are or how grieved you are with sin, you are as dysfunctional as sin if you do nothing about it; evil may not get into you but it will get you out and dislodge you from your comfort.

Deliver righteousness and truth even when your world refuses to be delivered; they make their reservation for judgment but the Lord knows how to deliver the righteous.

There is no dignity in speaking evil of dignitaries or despising authority even if they are at fault, for it removes your defence before God.

**2 PETER 2—CWDS BIBLE WITH QUOTES & PRAYERS
FALSE PROPHETS—AND END TIME REALITY**

There is no glory in accusation except to the Accuser of the Brethren; the angels of God do not bring our justified accusations before God, only just our strength, hope and promise.

When you wring your brother's wrong, you wrong your brother's right to the redemptive blood of Christ; your role is reconciliation and not condemnation.

PRAYER POINTS

Spirit of truth, bring every falsehood in my life and in my nation into judgment today. Amen.

Fire of the living God, burn out covetousness from the hearts of believers. Amen.

Righteous God, You are a God of judgment; Your righteousness compels You to judge; help us to align ourselves with You. Amen.

Most Holy God, if the angels are not immune to judgment, I tremble in fear of You and align myself, in the name of Jesus.

King of kings, let the salt in believers be savory to the earth; let the taste of the kingdom be on every tongue everywhere. Amen.

DEUTERONOMY 13

The truth about lying signs and wonders is exposed if it seeks to turn your heart from God. Looks good, sounds good, is good if it supports and strengthens your faith in God; it is bad if it weakens your faith.

Turn away from anything that seeks to turn you away from God. Destroy every relationship that seeks to destroy your relationship with God.

Loyalty to God first and to everyone else through Him. Loyalty to God only and loyalty to family because of Him.

Let every false deceptive spirit operating in the churches be scattered to desolation by fire, in the name of Jesus.

Let the spirit of indignation rise against every Satanic agent planted among the people of God to turn their hearts from You Father. Amen.

2 PETER 2

TEXT HIGHLIGHT : 2PETER 2 (JUDGING A PROPHET)

2“No wonder, so impressive, it comes to pass before my eyes. But wait there, Mr. Prophet, what you say is not God’s word; We do not know the gods you worship; do not tell us to bow down and serve.
3“You shall not listen to the prophet or dreamer, For the Lord God is testing you to know, whether you will love the Lord your God with all your heart and with all your soul.

QUESTIONS FOR JAY ISRAEL

MANY WHO HAVE HEARD JAY ISRAEL AND HIS MYRIAD OF ATTACKS ON THE CHURCH AND ON LEADERS HAVE BEEN LEFT WITH MORE QUESTIONS THAN ANSWERS AND THE QUESTIONS ARE DIRECTED AT THE PROPHET JAY ISRAEL.

QUESTION ABOUT HIS CURRENT MESSAGE

It appears the current message of Prophet Jay Israel is to speak about everything that is wrong with other ministries and the church.

This man of God has taken a swipe at other ministers and significant ministries, calling all the prophetic churches cults and demonic. He has found a niche in pointing out everything that he thinks is wrong with these ministries. He also finds it important to take a swipe at Christians, stating that 99% of Christians in every church are carnal. They look at specific issues he points out with ministries and ministers he has been close to and say this attack on the church and on established ministries is diabolical.

They quote *Matthew 18:15* *If your brother sins against you, go and tell him his fault between you and him alone. If he hears you, you have gained your brother.* ¹⁶ *But if he will not hear, take with you one or two more, that 'by the mouth of two or three witnesses every word may be established.'* ¹⁷ *And if he refuses to hear them, tell it to the church. But if he refuses even to hear the church, let him be to you like a heathen and a tax collector.*

They say the fact that the Prophet Jay has gone directly to the world without trying to address the matter personally or with other believers is an attempt to discredit the church and not just the ministries he has attacked. It is also a direct disobedience to Jesus. They say the fact that he is lambasting all these ministries publicly without correcting the men of God with whom he has had relationships is very suspect.

QUESTION OF INCONSISTENT TESTIMONIES

There are a number of inconsistencies with Prophet Jay's testimonies. On one occasion, in a video where it stated, *Jay Finally Speaks*, he asserts that he had a sudden wake-up call in the form of a vision that caused him to change his course without pre-meditation.

In another video in which he attacked a certain man of God, which seems to be an assignment or something he takes personally, he stated he had been testing this man of God by giving him false information and that he had evidences on his phone and other evidences. It appears he was on assignment throughout his association with this Apostle.

On one video he stated he was not involved in some of the sexual improprieties while in another he stated that he was fully involved in sexual improprieties. In fact, he went as far as saying that anything you can think of He has done.

QUESTION OF HIS VISION

Concerning the vision of the rapture he said he saw, people question this for he mentioned he saw people gathering in numbers in a valley and screaming in pain for they were on fire.

This is inconsistent with the interpretation of most scholars of the rapture. They believe after the rapture it will be life as normal in a heightened demonic age but not yet the judgment of Hell.

They question if this vision was not conjured as an excuse to begin this season of assault.

QUESTION OF HIS QUESTIONS

Jay questioned some churches' authenticity while calling the leaders false and demonic yet he stated that real miracles occur in these churches. For most of these churches he questions their practices such as selling products but does not comment on their sound teaching of the word and the fervency of their members in pursuit of Jesus. Those who question this argue that when Jesus was called Beelzebub, he stated, "Can Satan cast out Satan." In other words Satan would be in conflict with himself to permit real miracles and deliverances. He has no power to do good. It must be Jesus at work.

It appears, for many, Jay is on a painting job, using facts about deviant pastors to tarnish the good ones he want to bring down; especially one who he speaks of in every sermon.

QUESTION OF HIS SHEPHERD'S HEART

The prophet mentioned he left the church he was leading and did not communicate with any member or leadership for over a year until his public confession. This was although he had been delivered from demonic oppression for over one year.

They argue that his shepherd's heart would have turned back to his flock and made provision for them immediately after he was delivered.

They conclude that his encounter could not have been with the Lord Jesus.

ETERNITY WILL TELL THE TRUTH IN TIME

WITH THESE DELIBERATIONS, MANY BELIEVE JAY ISRAEL MAY HAVE BEEN ON A DEMONIC AGENDA IN THE CHURCHES ASSIGNED FROM HIS BENIN ENCOUNTER WHICH HE IS CURRENTLY FULFILLING.

SOME BELIEVE, HOWEVER, THAT HE MAY HAVE HAD A DEMONIC ENCOUNTER WHICH PROMISED HIM RELIEF FROM HIS DEMONIC OPPRESSION IF HE DELIVERS AND DESTROYS THE LEADERS AND CHURCHES HE IS CURRENTLY ATTACKING. THE DEVIL NEVER LETS GO EASILY. TAKING DOWN THE CHURCHES WOULD BE A BIGGER SACRIFICE THAN HUMAN SACRIFICES AND DOVES.

OTHERS BELIEVE PROPHET JAY IS HOPING TO GAIN POPULARITY FROM DISCOUNTING AND SCANDALIZING STRONG MINISTRIES AS HE SEEKS TO REMAIN THE MAJOR PLAYER IN THE PROPHETIC.

THE ALLEGATIONS HE MADE AGAINST SOME MINISTRIES, AND ONE PARTICULAR, IN WHICH HE STATED HE WAS AN AGENT TO GET ACTORS TO ARRANGE FAKE MIRACLES, ARE VERY SERIOUS, YET SOME BELIEVE HE COULD BE LYING.

IN DEALING WITH PEOPLE WHO ARE DEMONIC, IT IS NOT UNCOMMON FOR THEM TO LIE WITH THE CONFIDENCE OF SOMEONE TELLING THE TRUTH. THAT WILL SAY ONLY WHAT WILL MAKE THEM BELIEVABLE, EVEN IF THEY WERE TO LIE ON THEMSELVES. THEY SACRIFICE THEIR OWN IMAGE TO TAKE DOWN THEIR TARGETS AND SO MOVE ON TO HIGH LEVELS IN DEMONIC CULTISM.

ALL EXPERT LIARS TAKES HALF-TRUTHS AND BRING MISLEADING EVIDENCE TO BEAR AND PRESENT IT IN A WAY THEY CAN DEFEND IT IN COURT. FOR THE COURT OF LAW AND THE COURT OF MEN ARE DECIDED ON WHAT IS BELIEVED NOT WHAT IS THE TRUTH. FOR THOSE WHO HAVE HAD SOME ACCESS TO THEIR VICTIMS, IF THEY ARE DEMONIC, THEY COULD EASILY BUILD EVIDENCE AND DEFEND IT.

THE DEVIL IS THE FATHER OF LIES. GIVE HIM PROXIMITY AND HE DOES THE REST WITH LIES.

FOR THIS ASSERTION THEY HAVE ONE QUESTION: IF JAY HAS LIED ALL HIS PREACHING LIFE UP TO A YEAR AGO; IF HE HAS LIED BEFORE THE CHURCH, BEFORE MEN OF GOD AND BEFORE THE WORLD WITHOUT FLINCHING OR REMORSE, HOW DO THEY KNOW HE IS NOT LYING STILL?

THIS QUESTION IS ONE HE CANNOT ANSWER. HE IS BEING LISTENED TO AND HIS ATTACKS HAVE GAINED SUCH TRACTION HE IS NOW ADVISING THE CHURCH THEY DO NOT NEED SPIRITUAL LEADERS, ONLY GOD. HE IS QUOTED AS SAYING THAT COVID19 HAS PROVEN CHRISTIANS CAN DO IT ALONE AND THE DOCTRINE OF LAYING OF HANDS IS BASELESS AND FALSE. WHERE ARE THE ELDERS TO LAY HANDS NOW IN THIS LOCKDOWN? HE ALSO SUGGESTED THAT CHRISTIANS SHOULD NOT GIVE TO CHURCHES, THAT THEIR OFFERING ONLY ENRICH CHURCHES AND THAT ALL PROPHETIC CHURCHES ARE FAKE. IT HAS BECOME CLEAR THAT WHAT HE IS DOING IS SET TO SUBTLY DESTROY SOUND TEACHINGS, SHAKE THE FAITH BELIEVERS, ISOLATE THEM FROM THEIR COVERING AND EXPOSE THEM TO DIRECT DEMONIC ATTACK. FOR MANY HE HAS BECOME HARD TO LISTEN TO AND UNWISE TO HEAR WITHOUT PRAYERFUL COVERING. THEY SAY THIS IS A PRIME EXAMPLE OF THE END TIMES ANTI-CHRIST SPIRIT BLATANTLY OPERATING FROM THE PLATFORM OF THE TEMPLE OF GOD. IT IS GAINING TRACTION BECAUSE OF THE CORONA-VIRUS EPIDEMIC.

YET SOME BELIEVE JAY IS NOW CONVERTED AND TELLING THE TRUTH. WHATEVER THE SITUATION, UNLESS HE BEARS FRUITS TO INCLUDE THE CHARACTER OF CHRIST AND SENSITIVITY FOR THE CHURCH; UNLESS HE STRENGTHENS THE FAITH OF BELIEVERS INSTEAD OF WEAKEN IT AND HIS APPROACH CHANGES FROM CONDEMNATION TO LOVE AND RECONCILIATION, MANY WILL REFUSE TO FOLLOW HIM OR TAKE HIM SERIOUSLY.

THOSE WHO DO NOT BELIEVE HIM MUST ADMIT THAT THERE IS SOME ELEMENT OF TRUTH TO WHAT HE IS SAYING. A LIE IS NOT AUTHENTIC UNLESS IT IS COATED WITH TRUTH.

WE WAIT TO SEE HOW THE LORD COMES THROUGH, BUT WE BELIEVE IF THERE IS ANY ELEMENT OF TRUTH IN WHAT HAS BEEN SAID, IT WILL SERVE TO BRING CORRECTION TO THE CHURCH IN THESE END TIMES.

THERE IS ONE MINISTRY THAT JAY ISRAEL ATTACKS IN EVERY CONVERSATION SO MUCH THAT HE LOOKS FOR OPPORTUNITIES TO CRITICIZE EVERYTHING THAT IS DONE OR SAID THERE. IT HAS BECOME CLEAR THAT WHETHER FAKE OR REAL THE DEVIL HATES THIS MINISTRY AND ITS VERY EXISTENCE IRKS HIM. THE LEADER OF THIS MINISTRY IS KNOWN FOR VERY SOUND AND CONSISTENT TEACHINGS, A STRONG AND DISCIPLINED NETWORK, ENVIED SPIRITUAL HABITS AND PRAYER DISCIPLINE, CONSISTENT SACRIFICES AND HE PASSIONATELY HATES THE DEVIL.

HE HAS A WORLDWIDE FOLLOWING AND IS GREATLY WATCHED. THE ATTACKS BY ISRAEL IS COMPOUNDED BY THE INDISCRETION OF ONE OF THE BISHOPS AND A HURTING WOMAN, A MINISTER, WHO WAS SLIGHTED IN RELATIONSHIP AFTER A MOMENT OF INDISCRETION WITH THE BISHOP. THE WOMAN AFFIRMS HER CONTINUED UNSHAKEN FAITH IN THE PROPHET AND THE PROPHETIC. IN A RECORDED CONVERSATION IN WHICH THE BISHOP FAILED MISERABLE IN A MOMENT OF DECISION AND WANTED TO KNOW HOW ANOTHER FEMALE BISHOP KNEW ABOUT THE ACT. SHE TOLD HIM SHE DID NOT SAY ANYTHING, THE OTHER BISHOP CAME TO HER AND TOLD HER EVERYTHING THAT HAPPENED. THE PROPHETIC CANNOT BE QUESTIONED.

FOR THIS MINISTRY, HOWEVER, IT GOES TO SHOW HOW COORDINATED THE DEVIL IS. JUST AS WITH JOB, IN JOB 1, IT SHOWS HOW DEFT SATAN IS AS HE COORDINATES HIS ATTACKS FOR MAXIMUM EFFECT. THOSE WHO HAVE READ THE BOOK OF JOB WILL UNDERSTAND THERE IS A JOB 42, THE BOOK ALWAYS ENDS WELL FOR THE FAITHFUL BUT POORLY FOR PRETENDERS UNLESS THEY REPENT. THE WAIT HOWEVER MAY SEEM LONG 40 CHAPTERS

PERSONAL EVANGELISM TO FAMILY, FRIENDS AND FAMILIARITIES MORE THEN A CHOICE: AN OBLIGATION!

LOVE COMMANDS US TO EVANGELIZE. IT IS NOT OK, REALLY NOT OK TO SAY WE LOVE THEM AND SIT WITH THEM GOING TO HELL; DANCE WITH THEM GOING TO HELL; EAT WITH THEM GOING TO HELL; DO BUSINESS WITH THEM GOING TO HELL; HAVE FAMILY REUNION WITH THEM GOING TO HELL; PLAY WITH THEM GOING TO HELL AND DO NOTHING ABOUT THEM GOING TO HELL.

IN OTHER WORDS,
'TO HELL WITH THEM.'

WHERE IS THE LOVE? WHERE IS THE URGENCY? WHERE IS THE CONCERN TO SAVE THEM FROM THE AGONIZING DEATH JUST DOWN THE ROAD IN THEIR PATH?

THIS IS THE GREATEST DEMONIC DECEPTION AND PERSONAL HYPOCRISY. THE HEART NATURALLY RESPONDS TO PEOPLE WHOSE LIVES ARE IN DANGER EVEN TO ACTS OF SELFLESSNESS. INACTION TO ETERNAL DANGER IS DEMONIC AT THE VERY EXTREME.

MAY THE LORD FREE YOU!

CREATIVE EVANGELISM STRATEGIES FOR YOU

WE ARE CURRENTLY SHARING STRATEGIES DEPLOYED AND COMPILED BY CAMPUS CRUSADE FOR CHRIST.

Natural Evangelism Throughout the day, our paths naturally intersect the lives of many individuals. These natural connections provide many opportunities to be a witness for Christ. For staff members, as outsiders in the campus community, natural opportunities are harder to come by. For students, as insiders, they abound. Often these connections come as divine appointments, when God orchestrates the circumstances to bring two people together. But in many ways we can be intentional at both fostering relationships and creating the environment in which significant conversations about the gospel occur.

RELATIONAL EVANGELISM

We have had two semesters worth of Lighthouse strategy training and we are seeing students come to faith sometimes as long as a year after someone initiated with them. To make it practical, we take an aspect of the Lighthouse strategy (prayer, care, share) over one semester. Each month is a mode where one part of the strategy is emphasized. For example, the first month is spent in prayer. Praying for people specifically and praying for opportunities to relate and share with them. The second month is the month of caring. We spend time brainstorming ways to communicate care, how we can do random acts of kindness and we revisit how things are going every two weeks.

The third month we focus on opportunities to share with the people that we've been praying and caring for. Most of the relationships take much longer than three months to build. We keep a poster board of names of all the students we're praying for as a visual reminder. We have asked students to focus on relational evangelism and the only time we do ministry evangelism is for training purposes. Our desire is to position students for a relational approach to evangelism.

BOOK ON THE DESK CORNER MINISTRY

Curiosity may have killed a cat, but one New Jersey businessman figured curiosity might also help save someone. He bought a number of copies of the books "Darwin's Black Box" and "Mere Christianity." He then offered to give a copy to students at Princeton if the students would agree to place the book on the corner of their desks for one month and use it to initiate conversations.

Around 50 students accepted the challenge and were able to initiate conversations with those who sat close by.

ART INSTITUTE SPORTS OUTREACH

Creativity is no problem for students at the Art Institute of Chicago. To draw attention, surface interested people, and develop friendships, the students advertised a running club. They advertised the club with scenes from the movie Chariots of Fire, placing cutouts of their own heads atop the actor's bodies. Posters and flyers bear the tongue-in-cheek question, "Who says there's no sports here?"

DETROIT DAY OF FAITH

During the One Day of Faith nationwide campaign, the Detroit Metro team carried out the strategy citywide. For six weeks leading up to the event, they led the prayer, care and share (Lighthouse) strategy.

SPRINT PCS - The ministry at Tennessee State University tried to think of ways to be more involved in the lives of students. During the spring, they launched a campaign that they called Sprint PCS. These letters stand for Prayer, Care and Share. The campaign included 2 weeks of praying through a list of specific people (Prayer). Then there were 2 weeks of looking for ways to get involved in the lives of these same people (Care). Finally there were two weeks set aside for initiating opportunities to share Christ with these same people. The Impact students focused on carrying out the PCS campaign after each Bible study.

PRAYER-CARE-SHARE CARDS The ministry at Southern Methodist University printed prayer/care/share cards that unfold and guide students on this familiar technique for reaching their friends. They are encouraged to pray for five people, act on specific ways to care for these people and then share Christ with them. Entire Bible studies are challenged to get personally involved with other students in this way.

DINNER AND AN INVITE

Want a creative way to get more students to your weekly meeting? The ministry at the University of Louisiana in Lafayette passed out 40 Chili's gift certificates (\$10 each) to students. They were instructed to take a friend with them to dinner and invite their friend to join them at CRU.

FAITH FLAGS

Cincinnati Metro encouraged their students to look for ways to plant "faith flags" in the midst of their everyday conversations. Students are able to identify themselves as Christians simply by saying something like, "I prayed before I took the test today." These simple statements allow students to communicate to their friends that there is a dimension to their lives that they had not previously known about.

ART THOU SAVED?

One block from the University of New Mexico, a church meets in a converted movie theatre. The lobby of the church is made available for students to display their artwork. A group of artistic students meets at the church to create art and to discuss the meaning of their art. This has opened up doors to talk about the gospel.

BATTLE OF THE BANDS

Students at Drexel University in Philadelphia sponsored a battle of the bands on campus. Many of the students are musically talented and saw this as an opportunity to develop relationships with the people who came out to the concert. The event was not billed or perceived as a religious gathering.

WEEKLY MEETING WELCOME GIFTS

At the beginning of every Campus Crusade meeting at Rutgers University, all the new people are asked to raise their hands. Each new person receives a coupon to exchange for a gift at the meeting's end. As the students exit the meeting room, student leaders and staff members stand at the door and give a gift package that includes a response card. Because the gospel is shared each week, one question on the card is: Did you receive Christ tonight?

LEADERSHIP EXPECTATION:

Join a Group Arkansas Metro student leaders are expected to get involved in another student activity group with freshmen involved. They are encouraged to join with a friend in order to build relationships with non-believers. The desired outcome is that the Campus Crusade leaders will have opportunities to share their faith within these relational groups at some point during the year. This is also a great way to model relational ministry to other students in the movement.

MINISTRY TO FREE THINKERS

A couple of key students at Michigan State began attending the "Free Thinkers" club on campus. The common belief among members is atheism. The Christians go to build relationships and so far the group has been accepting of them. Michigan State students are strategically placed in different influential clubs on campus.

JUST BE WHO YOU ARE

The San Francisco Metro ministry is challenging students to live out the principle of being set apart, but not separate from the culture around them. They want to see their students involved in other clubs on campus - art club, dance team, or intramural sports. In this way, students are learning that in ministry you don't have to create your own thing, but you can just be who you are.

WHEELING FOR CHRIST

Students involved in the Michigan Tech ministry joined clubs on campus to build relationships with non-Christians. One of the most popular activities in the area is 4-wheeling, so some of the students signed up for this unique field of ministry

CONNECTING WITH CAMPUS LEADERS

At UNC Chapel Hill, a leadership organization holds a summit once a week for presidents of campus clubs. The student president of Campus Crusade attends.

INTRAMURAL SPORTS

All the Way At North Carolina State, 100 students participate in intramural softball. The students are encouraged to join other teams and build relationships that can lead to evangelistic opportunities.

COMBINING MINISTRY WITH INTERESTS

Arizona State's Campus Crusade has encouraged students to form their ministry around affinity groups. Examples include a freshman group of guys who like to play racquetball, and who form their evangelism around reaching other guys in the racquetball club. This is helping students to have an intentional focus with their evangelism.

COFFEEHOUSE SUCCESS

The ministry at the University of Central Florida hosts a successful coffeehouse where students can see a community of Christians in a normal environment. The ministry also opens the coffeehouse for other clubs on campus to use. The coffeehouse helps integrate new people who show up at their weekly meeting because of the relational and comfortable environment. People from extremely diverse backgrounds hang out at the coffeehouse and interact with the Christian students there.

LIVING ON CAMPUS WITH PURPOSE

While most upper classmen choose off-campus housing, Campus Crusade students at Iowa State choose to live on campus in order to build relationships with students. The upperclassmen trade in their privacy for cafeteria food, midnight fire drills, and community showers, so that they can meet and mentor a freshman or sophomore.

COMMITTED TO THE DORMS

At the Minnesota State University - Moorhead, 14 guys are moving back into a dorm to focus on reaching that dorm. They organized a regular game of "capture the flag" and other activities to foster relationships with their dorm mates.

Let your conversations be always full of grace, seasoned with salt, so that you may know how to answer everyone (Col. 4:6)

THE KINGDOM MINDSET OF WORK

AN EVERY BELIEVER, EVERYDAY KINGDOM MANUAL

REBELLIOUS PRIEST

He could see them.
 In the midst of a battle hot,
 With blood being spilled a very lot
 They were placed at the very heart
 Yet they were so relaxed

They were positioned to change the game
 It would take discipline and restraint
 They chose instead to please themselves
 And leave the people exposed to hell
 The wrath of God so very real
 The war that they could not perceive
 The loss of lives or victories
 Is fought on spiritual battle fields

Wasting time or on your knees
 You put yourself or kingdom first
 Ardent pursuit or frivolity
 Sums up the Kingdom Mindset of Work

O hindsight will cut you no slack
 But foresight you have plenty of
 For daily life is just a veil
 If you see beyond you'd come awake
 To the spirit world where there is no time
 Judgment wraps every act though all
 seems fine.

John paused to catch his breath for he
 could see them. His heart was palpitating,
 his face sweating; his spirit mourning for
 he could see them..

They were sons of the high priest
 and heirs of the legacy of Aaron. They
 were aptly positioned to carry on the dig-
 nified legacy of priesthood.

Dignified, because they stood between
 God and the people, but yes, it involved
 dedication and work and dedicated
 work. It was arduous. They were inter-
 cessors for the people and intermediary
 between God and the people. They per-
 formed the necessary rituals to remove
 the wrath of God from the people.

Dignified because it brought them as
 close to God as any human can get. It is
 difficult to represent God in this manner
 without entering into the heart of God.

God called them holy, separated unto
 Him; His inheritance.

John gasped as a thought entered his
 mind. It is difficult to have God relate to
 you in this manner without coming un-
 der intense scrutiny. Mmmm... from
 both heaven and hell.

Are we not the temple of the living God?
 Are we not holy? Are we not kings and
 priests, a royal priesthood?

Do we not have the Holy Spirit living in
 us? Something they never had or could
 ever experience. Are we not under com-
 mission to get involved? Do we not have
 a helper to make our yokes easy, a Gov-
 ernor to oversee this work and a Com-
 forter to console us?

He could see them. His heart
 moved and his vision became blurry with
 tears. At a time like this he wished he
 could not see at all. But...his heart
 moved; he could see them.

They knew their duties as priests but
 they did not know the Lord; they knew
 the rituals but did not know relation-
 ship; they knew the influence and privi-
 leges as priest but they did not engage
 the principles; they represented the work
 but they did not know the Word so they
 became presumptuous.

He could hear them, "Give me that. That
 is the meat I want.

THE KINGDOM MINDSET OF WORK

AN EVERY BELIEVER, EVERYDAY KINGDOM MANUAL

How dare you boil it! We want it raw. We are tired of pre-cooked meat.” Their voices were loud. They were aggressive and they used their influence as priests to be authoritative. The people reasoned with them, pleaded with them to obey the Lord but to no avail. The Lord had commanded in the law of Moses, that the meat should be boiled. That the priests should use the flesh-hooks and whatever part comes up should be theirs. The wisdom of Israel was no match for these two. They selected their portion before the ritual was performed. They totally abhorred the ritual.

The mindset of work is all about compliance with rules. You cannot run your own race and expect a prize. You cannot defy the race and not be opposed.

“Pastor, I cannot wait to reach heaven and to hear Jesus say, ‘Well Done!’”

His pastor looked at the excited young man with mixed emotions. He was a lazy person who was never engaged in anything the church did no matter how excited he seemed. It was hard to find an answer that reflected what this boy needed to hear and yet maintain the role of a shepherd.

The pastor looked down at him with a soft smile and said gently but firmly, “Well get started.”

His answer, even with his attempt at gentleness still startled the young man.

“What...” he started, “what do you mean?”

“You cannot be done unless you are doing,” the pastor wisely responded. “And to be doing well you have to be diligent in doing.”

“In my many years of ministry son, I have seen many believers. Some who will do anything to see the work of God forward-ed.

They come out and get the church ready for meetings; are present for missions;

attend every service and stay up at nights and pray. They are usually the same persons every time. Why? Because they have an attitude of work. A mindset to respond to their kingdom responsibility son. They genuinely love the Lord above themselves and want to do everything to further His work.

I have also seen some who will promise you but never show up and some who will not promise at all. They would never sacrifice their own agenda, television time and everything they do to get involved in where the heart of the Lord is... people. People are dying, going to hell

but the urgency is lost on them. The bad thing is, some of them expect the Lord to reward them for doing Him a favor and getting saved.

Which of the two group my son do you think will hear, Well done?”

“The first,” the young man responded.

“Which of the two groups are you a part of?”

“The young man looked at the wise pastor then looked away. He needed time to look into himself.”

“Father, I must go,” he said quickly and was off before he could get a response. It was a conversation that he wanted to finish, but not here, by changing his attitude to Christ, to His work and to ministry. He would start in prayer. Today he would flex his muscles far above the 15 minutes he had become comfortable praying for daily. As he went his heart struggled with the sacrifice he knew it would take.

John could see them, these two priests. They were kicking at the sacrifice. They were pleasing themselves above the mandate of God and their duty to represent Him to the people.

“That is it,” he thought. “Pleasing themselves huh.”

It is impossible not to engage the

THE KINGDOM MINDSET OF WORK

AN EVERY BELIEVER, EVERYDAY KINGDOM MANUAL

Kingdom discipline of work if we put God above self.

This self-seeking, self-pleasing spirit is one reason the work of God is not furthered in the earth. Many believers are just as Hophni and Phinehas. Yes that was their names, Hophni and Phinehas, sons of Eli.

He could see them, sexually assaulting the women who came to the tabernacle to seek God. This diabolical spirit moving them was self-serving and placed itself before God. Instead of building the people to serve God they diverted the women to please their own flesh.

The kingdom mindset of work is kingdom focused and not self-focused. It is intentional in fulfilling the kingdom mandate. It is about a battle. It is about being that good soldier who refuses to entangle himself with the affairs of this life.

A sharp dagger pierced the soul of John as he saw them. They were many. Young men and young women from every continent whose sole intent for going to church is members of the opposite sex. He could see them, counsellors, leaders and members who steal souls from the cross for personal encounters. They win the innocent away from Christ for themselves with no intent of lasting relationship.

He could see them plucking the spoils out of the bleeding side of the Lord Jesus. He could understand the disgust the Lord must have felt with these two priests. They had no heart for the work of the ministry, or desire to further the cause of the Lord in Israel.

Instead, just as the devil did in heaven, they openly competed with the Lord for these precious souls who came seeking Him.

John sighed. "It is impossible to have a kingdom mindset unless your mind is set on the King, His will and instructions for you.

Once you have a vision of Christ, it takes work, dedication, determination and a recipe of discipline and restraint

to destroy all distractions and to make that vision a reality."

This thought stuck with him. He knew he would have to engage it later but for now he could not escape it.

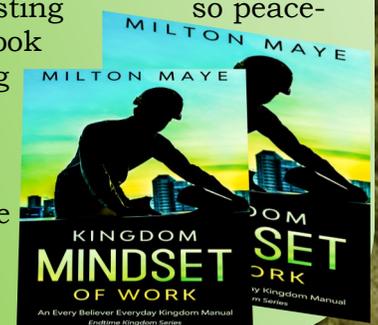

"Father," he said that afternoon as he summarized. "The more I think on this, the more I am convinced. Is it even possible to be effective in life without a mindset of restraint and sacrifice? Can anyone truly make it in any significant measure without sexual restraint, restraint in other areas of preferences and food restraint?"

His father smiled. He knew it was impossible to look at the priesthood without embracing the discipline we all have to apply in every area of life to be effective in our assignment on earth. These have both physical and spiritual implications. There were also some physical things like exercise and health that compliment effectiveness at work. The mindset is as much being as doing. You must be a worker with kingdom effectiveness at heart to do the work and maximize your time on earth. He knew it was impossible to be completely fulfilled in this life without focus. Distraction will cause God to turn against you to destroy you and your works instead of turning His face toward you to establish and further your works. Work without sound spiritual discipline is Babel. It makes your work a target for destruction.

This however was moving ahead of himself. He would get there but not yet.

"Son," he responded. "This is an assignment all by itself. The Lord has given you my heart. I am resting so peacefully at nights. I look forward to hearing your revelations on Moses."

He fell asleep with a broad smile on his face.

BILL WILSON'S METRO MINISTRIES KIDS AROUND THE GLOBE

CHRIST-CENTERED

According to the Ministry: We believe that relationships and meeting physical needs are important, but only the redemptive power of Jesus Christ can truly change lives. For at-risk children living in hopeless situations, the love of Jesus and a personal relationship with Him, brings hope, joy, and peace, and provides a foundation that cannot be shaken.

Our Sunday School program is the core of our ministry, where many children have the chance to meet and receive the love of Jesus for the very first time. When you support Metro World Child, you create these opportunities for us to share the message of Jesus with children, speaking truth into their lives about who they are and who they can become through the power of Christ.

RELATIONSHIP-DRIVEN

One-on-one relationships with children and families with whom we work are the heartbeat of our ministry around the world. Our staff live in the neighborhoods where we serve and make regular home visits to children and their families. Your generous support allows us to be present in the various communities where we serve and enables us to meet real needs as they arise.

For children coming from backgrounds of abuse, neglect or abandonment, the consistent care and attention that our Metro staff provide is often the simplest, yet most meaningful, demonstration of love that we can give. These relationships also encourage kids to keep coming back to Sunday School

week after week.

We rise by lifting others.

CHILDREN AND YOUTH'S CORNER

FIVE(5) REASONS TO PRIORITIZE CHILDREN:

- I. What they will face in their generations will be significantly worse than anything you will ever face
- II. They are being proactively evangelized by demonic influences through very accessible, enjoyable and engaging mediums
- III. They are usually not self motivated to pursue spiritual things.
- IV. You lose the children you lose a generation; the instruction is to train them in the way they should go so they will make good choices in their generation.
- V. It is every believers mandate,

OUR CHILDREN ALL BELONG TO GOD; THEY ARE ENTRUSTED TO YOUR CARE **AS MOSES WAS TO HIS MOTHER'S**. YOU HAVE A DUTY AND RESPONSIBILITY TO RAISE THEM WELL FOR THE KING.

The cross is the most beautiful gift we can offer our children.

SUFFER THE CHILDREN

- Convey them
- Make provision for them
- Make allowance for them
- Do not ignore them
- Be pro-active to reach them
- Expend your resources on them
- Direct them
- Prioritize them
- Give them the time, attention, details and patience they need.

"Let the little children come to me"

DO NOT FORBID

- Do not slight them
- Do not ignore them
- Do not turn them away
- Do not prevent them
- Do not marginalize them
- DO NOT OFFEND THEM BY DOING NOT! (THING)**
- OR BY NOT DOING ENOUGH.**
- Do not relegate them to the world social media agenda

It simply means that the church must design specific, intentional, proactive programs to reach, minister, disciple, educate and inform the children and youths. COVID-19 is not an excuse, instead it is a new opportunity for the church to begin to see the internet as a ministry opportunity to a generation totally dis-engaged and distracted.

BILL WILSON'S METRO MINISTRIES REACHING 250,000 KIDS WEEKLY

In many cities and villages around the world, there are children who have no control over where they were born or what extreme circumstances they were brought into; they have no way of seeing themselves out of their situation.

But through the Gospel-centered programs Metro World Child offers and with your faithful support, we are able to provide hope and help build positive futures for each of the children we serve. We approach ministry holistically to address the spiritual, emotional, and physical needs of each of the children we

serve. Our primary goal is to help meet the needs and each of our programs is developed specifically for the children we serve. Everything we do is intentional and of your support, we are able to adapt our parts of the world to meet the unique environments in which we work. All programs have one important focus: creating tangible expressions of God's love.

cal needs of each of the children we serve. Together, we offer message while building providing basic necessities and build positive futures.

of the children we serve specifically with that in mind, and because programs for different aspects of the cultures and programs have one important focus: creating tangible expressions of God's love.

PROGRAMS FOR AT-RISK CHILDREN & SHARING THE GOSPEL

Metro brings the good news of Jesus Christ alive for children who otherwise may never be introduced to the hope of the Gospel. Our Sunday School and Summer Camp programs feature dynamic, energized messages, specifically focused on helping kids grow in their relationships with God.

SUNDAY SCHOOL

Every year we run multiple Sunday School semesters all across the globe with around 200,000 children in attendance. These fun and exciting programs are evangelistic outreaches in all of the different communities that we serve; from street corners in New York to school assemblies in Kenya. For many of our children, along with the message of the Gospel, Sunday School is the highlight of their week, providing a positive alternative to many of the negative influences that constantly surround them.

SUMMER CAMP

Summer Camp is easily one of the most defining times in a child's life. Countless children make their initial decisions to follow Jesus during chapel time at camp. It is a safe and welcoming environment for children to experience the presence of God and not only start a personal relationship with Him, but to deepen an already existing one. By sending a child to camp you can help impact their life forever.

SHOWING GOD'S LOVE

One of the most effective ways to teach children about God's love is to offer it to them through one-on-one relationships and acts of kindness. Metro staff members invest personally in kids' lives through simple initiatives, such as weekly Visitation or providing Christmas gifts through Operation Holiday Hope. Many children feel loved and encouraged for the first time through these Metro programs.

WARM FEET

For our children in Romania, one of the most pressing needs is proper winter footwear. Our Warm Feet Project distributes warm socks and sturdy winter boots to thousands of children enduring extreme winter conditions.

YOUTH

BILL WILSON'S METRO MINISTRIES REACHING 250,000 KIDS WEEKLY

SCHOOLS

At the schools where we hold our Metro World Child outreach programs in Kenya, children are fed, educated, and introduced to a relationship with God.

WARM HEARTS & HANDS

Winters in New York can get very cold, oftentimes with temperatures dropping far below freezing for weeks at a time. With our Warm Heart and Hands Project we distribute much needed gloves, coats, hats, scarves and socks to boys and girls who are painfully underdressed for the harsh winter weather.

BACK TO SCHOOL BOOKBAG

The start of a new school year can be one of the most fun and exciting times for a child, but only if they're properly prepared for it. With our Back to School Bookbag Project we provide thousands of children with brand new bookbags filled with necessary school items. We want to equip our children with the tools they need to learn, stay in school, and reach their goals.

FEEDING PROGRAMS

Hunger is a serious and debilitating reality in many of the areas where we work, with many of our children lacking the proper nourishment that they need on a daily basis. Our Feeding Programs aim to meet those needs by providing hungry boys and girls with a necessary and filling meal.

CLEAN WATER

In Kenya, many schools lack enough clean water to support their students basic needs for drinking as well as for hygienic purposes. With our Clean Water Project, we have installed a number of water tanks in schools with plans to install more tanks as resources permit.

MOSQUITO NETS

Mosquito nets are a first line of defense against serious sickness and disease in many parts of the world where we do Sunday School. Our Mosquito Net Project is a practical step sponsors can take to help ensure the physical well being of their sponsored child.

HYGIENE KITS

Good personal hygiene is a basic need that goes unmet by many of the children attending our Sunday School programs around the world. Our Hygiene Kit Project is a tangible way for sponsors to meet the basic needs of their sponsored child.

MEETING NEEDS

When children's basic physical needs are met, the door opens to meet emotional and spiritual needs as well. Through the world where Metro works, we are providing healthy food, clean water and even disaster relief when necessary.

CHILDREN AND YOUTH'S CORNER

COVID-19 UNUSUAL YOUTH AND CHILDREN HOME MINISTRY OPPORTUNITY

We will examine the ministry of the International House of Prayer Children Equipping Center shortly, but before we do, Covid19 had presented an EXTRAORDINARY MINISTRY OPPORTUNITY TO YOUTHS AND CHILDREN that many churches would ordinarily miss. It is a thanksgiving moment for ministries with a genuine heart for children. You have been presented a wonderful opportunity to minister to youths and children at the pivot of their influence and utilizing the same mediums of their greatest distraction.

THIS IS WHAT THE LORD IS SAYING:

- ◆ Parents and youth will be delighted for the church to engage them in their homes in the absence of safe meeting conditions.
- ◆ Prayerfully develop a program for the youths that are engaging, entertaining, educational with spiritual targets. This can engage regular church times but may schedule assignments for each weekday.
- ◆ Identify group leaders to coordinate households (perhaps 12 homes per leader).
- ◆ Have them speak to the parents to clearly outline the program, the times, the response needed.
- ◆ Engage the parents to be fully involved with the kids program and to supervise. Outline to them the many benefits for the children of personal involvement.
- ◆ You have an opportunity to positively dictate what they watch. You can schedule personal development videos on YouTube and have them give feedback in required format. (Includes communication; leadership etc). Parents will be happy for the help to redirect some of the poor internet habits with the authority of the church. Ensure the peers of these children are doing it also. It sparks interest.
- ◆ Include intergroup and group against group competitions.
- ◆ The Youth and children ministry department would develop the schedule and coordinate through the leadership hierarchy to the ground leaders who would communicate to the homes.
- ◆ Develop videos consistent with training themes and make them available on personalized YouTube channels. This would be the church teaching, activity and other videos from the youth department.
- ◆ You have the opportunity to set them on a disciplined Bible reading program; perhaps one Book per week with the full involvement of the parent who would listen to ensure they read. You can make this competitive and give prizes over time.
- ◆ Have fully interactive small group virtual meetings at least once per week. Focus on the coordinated training points and materials distributed by the ministry dept. This should be by home cell.
- ◆ You have a unique opportunity to reach the parents, some of whom may not attend church but would be happy to work with the church to engage their children. Take time to go through the lessons with the parents and ensure you leave an indirect evangelistic message. Pray with them for their child and ask them if they have any other prayer needs.
- ◆ Be so effective that you can coordinate home programs with the parents even after things return to normal.
- ◆ Get parents to invite other households.

ONE OF ABRAHAM'S QUALIFICATION FOR GOD'S PROPHETIC REVELATION ABOUT SODOM WAS THAT HE WOULD COMMAND HIS CHILDREN AFTER HIM.

WE ARE EXPERIENCING NOTHING LIKE WHAT OUR CHILDREN WILL FACE IN THEIR GENERATIONS YET WE HAD LESS DISTRACTIONS AND DIRECT DEMONIC ATTACKS AGAINST OUR DESTINY. It simply means that the church must design specific, intentional, proactive programs to reach, minister, disciple, educate and inform the children and youths. COVID-19 is not an excuse, instead it is a new opportunity for the church to begin to see the internet as a ministry opportunity.

CHRISTIANS HOLD SERVICES WHERE GEORGE FFLOYD WAS KILLED

A group of ministries -- Youth With a Mission (YWAM); Circuit Riders, a California-based missions movement; and World-wide Outreach for Christ, a local church -- have been holding daily services at the epicenter that sparked protests around the world. Christophe Ulysse, 37, a YWAM leader based in Kona, Hawaii, told Fox News they are seeing real change.

"We're going from pain and hatred to healing and hope," Ulysse, a black Canadian Christian leader, said. "There's this new narrative of the gospel."

One man who was hopelessly overdosed on drugs, left without a pulse, and the next day he found a purpose to his life at the service, Ulysse said. A 19-year-old man got his life call as a minister. He signed up to go to Bible school and share the message that radically changed his life. Others have been baptized.

"We need to show that we can affect positive change," Ulysse said. "You have a voice and you can go to the nations. You can carry this on. We're empowering them to be carriers of hope."

Pastor Curtis Farrar, whose church has been on the corner of 38th and Chicago for 38 years, has preached and had members of his congregation lead worship and prayer at the memorial site.

Jonathan Tremaine "JT" Thomas, a pastor from Ferguson, Mo., and founder of Civil Righteousness, brought a model of sharing personal stories of hope and healing, a message, and a time for worship and prayer for healing in the city that has seen protests turn to looting and rioting. "I came here and I was broken," Ulysse explained. "It affects team members differently, but those of us of color, as we're here, we're watching the change happen through the gospel. My heart is so filled with hope. Those in the neighborhood are saying this is unprecedented unity. They're feeling an outpouring of love and hope from this nation."

"For us, there is this deep conviction that we have tried everything to deal w/ this issue. We've tried politics, we've tried economics, and we've tried social reform," Ulysse, who recalls the Rodney King riots as a kid, said. "It's the same thing over and over. We have to go back to what actually works."

A person is baptized at the site where George Floyd was killed on Memorial Day at the hands of police officers. Several groups are holding daily services at that location offering hope and healing.

THE CRIME OF DOING NOTHING

The picture shows former Minneapolis Police Department officer Derek Chauvin kneeling on the neck of his prisoner George Floyd (inset). What was very disturbing about this encounter is that he remained there for over 8 minutes, a good time after George, who was pronounced dead, had stopped responding.

HERE OTHER OFFICERS WHO WERE THERE WITH CHAUVIN WERE CHARGED FOR THIS CRIME. THEIR CRIME IS THAT THEY STOOD THERE, WATCHED IT HAPPEN AND DID NOTHING. THEY FACE UP TO 40 YEARS IN JAIL. THE DEBATE HAS BEEN RAGING: SHOULD THEY BE CHARGED? IS IT RIGHT TO HOLD THEM GUILTY OF THIS CRIME? THE CONCLUSION OF MOST IS: YES, YES, YES

SOME WOULD ARGUE: WHY SHOULD THEY BE CHARGED? THEY WERE NOT THE ONE WHO COMMITTED THE ACT!

Words such as: accessory to the crime and accomplices would be used in the criminal justice system?

BUT THEY DID NOTHING! You would say: **EXACTLY!**

THEY ARE GUILTY; GUILTY AS THE PERPETRATOR; GUILTY OF... DOING NOTHING!

The devil has his knees on the necks of our children; with abuses; over exposure to demonic influences in many ways: internet, music, social media, peers etc. The spiritual life is being squeezed from a generation while the Holy Spirit screams at us for intervention and angels watch the video tearfully appalled.

The only qualified judge, the Lord Jesus, has declared the crime of offending a child so heinous that it is better for the offenders that a millstone was hung about their neck to weigh them down and they were drowned in the ocean, sunk by this unbearable neck weight.

SO WHO ARE THE OFFENDERS?

Is it only those who abuse our children? How about those who leave them exposed to demonic agitators on social media and other mediums? And those who attach explicit images to their innocent apps? And those who openly and publicly violate the laws of God and make it an everyday norm? And those who allow themselves to be used to erode the moral fiber of the world our children are raised in?

THE REALITY IS THAT OFFENCE IS REAL AND IT IS AN EVERYDAY NORM. Our world is kneeling on the necks of our children, stifling their spiritual life from the moment they are born.

SO WHO ARE THE OFFENDERS?

COULD IT BE ONLY THOSE WHO ARE PROACTIVELY AND INTENTIONALLY CREATING AN OFFENCE?

WHAT ABOUT THOSE WHO STAND BY DOING NOTHING? BUT THEY DID NOTHING? EXACTLY!!

WHAT ABOUT YOU? ARE YOU DOING NOTHING TO REACH AND WIN THE CHILDREN?

MANY WILL BE SILENT AT THE WEIGHT OF THIS REVELATION, JUST AS THE THREE ACCOMPLICES OF CHAUVIN MUST HAVE BEEN WHEN IT EXPLODED. AGAIN, IS IT YOU?

SILENT? WELL YOU HAVE THE RIGHT TO REMAIN...SILENT!???

THE COST OF DOING NOTHING

Kingdom Citizens have a responsibility, not just to children, but to believers and unbelievers as well.

When Jesus ascended to heaven, He left Himself represented by fellow human beings He gave us no occasion or excuse for watching it happen and doing nothing.

If there was ever any doubt about the kingdom's position regarding passivity, Matthew 25 settles it.

JESUS WAS SPEAKING:

Then to those on the left hand, He will say, Depart from Me you cursed, into EVERLASTING FIRE that is prepared for the devil and for His angels.

WHY SUCH A HORRIBLE PUNISHMENT?

For I was hungry and you gave Me no food. I was thirsty, and you gave Me no drink. A stranger was I and you did not take Me in. You never clothed Me when I was naked. And when I was sick and in prison, you never visited.'

And they will say, 'Lord when did we see you hungry, naked, thirsty or sick and in prison or a stranger; Yes, when did we see these and did not minister to You?'

He will say, 'As much as you never did it to the least of these you did not do it to Me.'

IN OTHER WORDS FOR AS MUCH AS YOU WATCHED IT HAPPEN AND DID NOTHING. FOR AS MUCH AS YOU SAW LIFE FIGHTING WITH THEM, HELL SCREAMING AT THEM, JESUS REACHING FOR THEM WITH YOUR ARMS AND YOU DID NOT INTERVENE.

NO! IT IS NOT OK TO STAND ON THE SIDELINES OR WATCH IT HAPPEN FROM THE STANDS. YOU ARE IN THE GAME; IF YOU DO NOT PLAY, YOU WILL BE JUDGED AS IF YOU PLAYED NEGATIVELY.

THERE ARE SINS OF OMISSION, 'THINGS YOU FAIL TO DO THAT YOU SHOULD HAVE DONE'; AND SINS OF COMMISSION, 'THINGS YOU DID YOU SHOULD NOT DO; AN ACT YOU COMMITTED.'

DOING NOTHING IS A SIN OF OMISSION

JAMES 4:7: EVERYONE WHO KNOWS THEY ARE TO DO GOOD, ARE PRESENTED WITH AN OPPORTUNITY TO DO GOOD, AND DOES NOT DO IT, HAVE PERSONALLY SINNED.

CWDS BIBLE QUOTES

Jesus is represented in every opportunity to express Him and He is the personal recipient of every expression of His love and grace to others.

See Jesus in the eyes of your neighbors and you cannot look away from their needs.

If you know your compassion for the needs of others, of food, drink, clothing, comfort and consolation goes straight to the heart of Jesus, then ministry will ever be in your heart.

Attend to the needs of Jesus in the body and you will not offend the body of Jesus that was extended on the cross for your needs.

Meeting needs is not an exception, it is an expectation; failure to respond is a spiritual offense.

A Christian who fails to proactively express love is a goat in sheep's clothing who will be sorted and properly classified when Jesus comes.

A PRAYER FOR YOU:

By the power of the Holy Spirit, I call believers to live a life of full commitment and fiery devotion, in the name of Jesus.

SINCE YOU HAVE ISSUED YOUR VERDICT REGARDING THE ACCOMPLICES IN GEROGE FLOYD'S MURDER, YOU SHOULD BE VERY READY TO EMBRACE YOUR VERDICT FOR THE ON-GOING CASE OF DOING NOTHING!

The Caribbean Worship and Devotional Study Bible Forwarded by the Late Dr. Myles Munroe. This Project was titled Complete Caribbean Bible, by Dr. Myles Munroe in 2009.

THE FOREWORD:

This erudite, eloquent and immensely thought-provoking work gets to the heart of one of the deepest contradictions within our culture-the contemporizing of the Word of God in the first complete Caribbean Bible.

This is indispensable reading for anyone who wants to live life above the norm.

This is a profound authoritative work which spans the wisdom of the ages and yet breaks new ground in its approach and will possibly become a classic in this and the next generation.

This exceptional work by Milton Maye is one of the most profound, practical, principle-centered approaches to this timely issue and brings a fresh breath of air that captivates the heart, engages the mind and inspires the spirit of the reader.

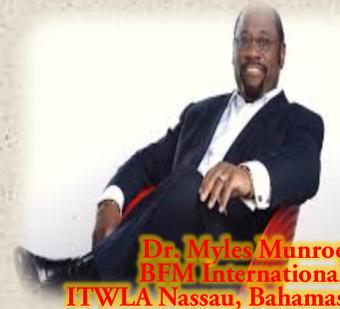

The author's ability to leap over complicated theological and metaphysical jargon and reduce complex theories to simple practical principles that the least among us can understand is amazing.

This work will challenge the intellectual while embracing the laymen as it dismantles the mysteries of the soul search of mankind and delivers the profound in simplicity.

Milton's approach to the daily application of scripture awakens in the reader the untapped inhibitors that retard our personal development and his anecdotes empower us to rise above these self-defeating, self limiting factors to a life of exploits in spiritual and mental advancement.

The author also integrates into each chapter the time-tested precepts giving each principle a practical application to life making the entire process people-friendly. Every sentence of this book is pregnant with wisdom and I enjoyed the mind-expanding experience of this exciting book.

I admonish you to plunge into this ocean of knowledge and watch your life change for the better.

**WILL you be found watching at the final trumpet call,
As all eat, drink and give in marriage, and it is life as usual?
When many are killed for My name's sake, and desolation unfolds,
Will you endure to the end, or be left out in the cold?
Will you be sleeping or be watching, or feel the joy and delight
When the Son of man comes in His glory, as lightning pierces the sky?**

MATTHEW 24

¹Jesus went out and departed from the temple, and His disciples came to show Him the building of the temple; indeed it was great.
²Jesus said to them, "See all these things? Verily, there shall not be one stone, no, not one, left upon another here, that shall not be thrown down."
³And as He sat on the mount of Olives, the disciples came privately to Him, Saying, "Tell us when will these things be? What is the sign of Your coming, and of the end of the world?"
⁴And Jesus answered them, saying, "Take heed that no man deceive you,
⁵For many shall come in My name and shall say, 'I am Christ,' and deceive many;
⁶And you shall hear of wars and rumors of wars. But do not be troubled, for these things must first come to pass, but the end is not yet.
⁷Nation shall rise against nation and kingdom against kingdom.
There shall be famines at that time, and earthquakes and pestilence in various places.
⁸"These are the beginning of sorrows; then you will be afflicted.
⁹They will deliver you to affliction and kill you; And you shall be hated of all nations, for My own name's sake.
¹⁰Then will many be offended, and will betray the other and shall hate one another.
¹¹False prophets will rise up and deceive many;
¹²"And because iniquity shall abound, the love of many will grow cold.
¹³But he who endures to the end, the same will be saved.
¹⁴This gospel of the kingdom shall be preached in all the world for a witness to all nations; and after it is spoken the end will come.
¹⁵"When you shall see the abomination of desolation standing in the holy place, as Daniel the prophet spoke of, take heed.
Whoever reads let him understand,
¹⁶And let all who are in Judea flee to the mountains.
¹⁷Let him who is on the housetop not come down gain to take a thing out of his house;

¹⁸"And neither in that day should he who is in the field return to take his clothes.
¹⁹Woe to those who are with child, and give suck in those days.
²⁰But pray that your flight is not in the winter, nor on the Sabbath day,
²¹For there shall be such great tribulations as have never been seen since the beginning of the world to this time, nor shall ever be again.
²²And except those days be shortened, no flesh shall be saved, but those days shall be shortened for the elect's sake.
²³Do not believe, if a man tells you, 'Lo, here is Christ!' or, 'Lo, Christ is there!'
²⁴For false Christs and false prophets shall arise, showing great wonders and signs; So much that if it were possible, the elect too would be deceived.
²⁵Behold I have told you before, therefore if they say to you,
²⁶'Behold He is in the desert!' do not believe and do not go there.
'If they say, 'He is in the secret chambers,' do not believe their lies.
²⁷For as lightning comes out of the east and to the west it shines, so shall also the coming of the Son of man be.
²⁸For where the carcass is, there will the vultures gather themselves.
²⁹Immediately after the tribulation of those days, in all men's sight, the sun will be darkened, and the moon will not give her light.
The stars will fall from heaven; the powers of heaven will be shaken,
³⁰And there will appear the sign of the Son of man in heaven for all to see.
At that time, all the tribes of the earth shall mourn, And they shall see the Son of man coming with glory in heaven's clouds.
With great power and great glory,
³¹And His angels He shall send, with a great sound of a trumpet, to gather the elect then
From one end of heaven to the other, to gather them from the four winds.
³²Now learn a parable of the fig tree; when it has tender branches and when it puts out its leaves, you know that summer is near.
³³So likewise when you see all these things, know that the time is here, that it is even at your doors!
³⁴Verily, this generation will not pass until all is fulfilled.
³⁵Heaven and earth will pass away, but My words will not pass away.
³⁶"But of the day and the hour, no man knows, not the angels in heaven, but My Father alone.

³⁷But as the days of Noah were, so will the coming of the Son of man be.

³⁸For as in the days before the flood, men ate and drank; they married and gave in marriage until the day Noah entered the ark,

³⁹And did not know until the floods came and took them all away.

So will the day of the coming of the Son of man be.

⁴⁰Two will be in a field; one will be taken, leaving one behind.

⁴¹“Two women will be grinding at a mill; one will be taken, the other left behind.

⁴²You know not the hour your Lord comes, therefore you must watch at all times.

⁴³Know that if the good man of the house had known the time the thief would come He would have watched and not allowed his house to be broken up.

⁴⁴Therefore be ready, for in the hour you do not think, the Son of man comes!

⁴⁵Say, who is a faithful and wise servant, the one his lord has made ruler over his household to give food in due season?

⁴⁶Verily I say to you, blessed is that servant whom his lord, when he comes, finds doing so.

⁴⁷He will make him ruler over all his goods.

⁴⁸But if that evil servant should say this in his heart, ‘My lord delays his coming; I will do just what I want!’

⁴⁹“And he begins to strike his fellow servants, and with the drunken eat and drink;

⁵⁰The lord of the servant will come in a day when he is not looking for him, And in an hour he is not aware of and will cut him asunder.

⁵¹And he will appoint him his portion with the hypocrites, with even them.

There will be weeping gnashing of teeth.”

Watch therefore every minute, this is not the time to sleep!

CWDS Bible Quotes

Take your eyes off the monuments of life, they will not last forever; place your eyes on the coming of Christ.

Take your eyes off the moment and place it on eternity for the truth is, every moment you live is an eternal moment and could easily be your eternity.

They will make the claim of Christ and wear the name of Christ but if they do not bear the character of Christ, or pierce the air like Christ they are just a fake of Christ.

Times will get worse before it gets better, or rather, before eternity intervenes.

Wars, famines, plagues, earthquakes may be harrowing but it is not hell; it is just the beginning of sorrows on earth.

Not because you are insulated in Christ means that you are isolated from hatred and persecution, in fact, you will be targeted by universal hatred and an effort to kill you.

Offense from outside the church in the end-times will be so intense it will cause many inside the church to lose faith and commit great offenses, hatred and betrayal.

The rise of the prophetic is an end-time reality which will create room for demonic manipulation with the rise of many counterfeits (false prophets with deceptive intent).

A mixture of the world and faith produces cold faith and no faith; the burning love you carry for the Lord and for others will be put out in a world that is progressing towards complete lawlessness.

Your salvation is not in your entrance to the race but in your endurance of the race; for the entrance means you are being saved but you are only saved at the end.

The coming of the end of time waits impatiently on your application of time; it waits on you to take the kingdom message to the ends of the earth.

You may not be able to pray away the prophetic manifestation of events such as the flight from Jerusalem but you can pray that there will be no physical, conditional or religious impediment to their flight.

Although it may seem that heaven has neglected the elect to the judgment of those who have rejected Christ, the matter of their souls is an eternal matter; heaven will not soften the judgment but will shorten the days.

Do not go looking for Christ in just any place in the earth or follow all the false Christ looking for you; His appearing will be apparent for He will not blast the earth with wonders, He will be the wonder to burst the clouds.

The coming of Christ will not be like a rising star, it will be like a lightning flash, sudden and immediate.

The stars fall, the sun dims its light; the moon refuses to shine, for nothing competes with or outshines the Lord in the fullness of His glory.

The power of heaven and every principality will be shaken for no demon can stand before the power of the Son of God.

You may be a living legend trumpeted on earth, but it amounts to nothing if you miss the angels reaping the elect at the trumpet sound.

It is not how select and exclusive you are but that you are among His elect and included in His gathering.

You may read the signs of the time and seasons, but you should learn the signs of the times and coming of the Son of Man.

When the what(event) is significant and the when (timing) is unknown, the wisdom of the when to act is immediate.

It is not 'the when' but 'the what' that matters; live in gratitude of the information and you will not be caught out in utter ignorance when 'the what' happens at 'the when' it happens, as the men in the days of Noah.

It is not how you are paired together or what you wear together, or that you work together; it is that you are altogether saved and you are together serving God, for no matter how you appear together you are altogether separate and apart if only one is saved.

You do not want to be the one left behind and you do not want to be the one to leave a loved-one behind; be ever ready, always pressing, always representing Christ.

If you had all the answers you would have no problem; you have Jesus, He is the answer; your problem is you have the answer but the answer does not have you; you have not accepted Him.

Not because the master is missing makes you your own master; if you do not master His will you will miss Him at His coming and miss out on His rewards.

His coming may be delayed but it is certain; you have no excuse to ignore His existence and pursue your indulgence.

MATTHEW 7

¹³Enter in at the straight gate, for wide is the gate and broad is the way that leads to destruction, And there are many who go in there.
¹⁴Because the gate is straight and the way is narrow that leads to life, there are very few who find it.
¹⁵"Beware of false prophets who come clothed as sheep but inwardly are ravening wolves;
¹⁶You will know them by their fruits.
Do men gather grapes from thorns or gather figs of thistles?
¹⁷Even so, every good tree brings forth good fruit, only, But a corrupt tree brings forth evil fruit.
¹⁸A good tree cannot bring evil forth.
¹⁹Every tree that does not produce good fruit, is cut down and into the fire is thrown;
²⁰"Therefore, by their fruits you will know them.
²¹Not everyone who says, 'Lord, Lord!' to Me will enter the kingdom of heaven, But it shall be open to him who does the will of the heavenly Father.
²²Many will say to Me on that day, 'Lord, Lord! Have we not prophesied in Your name? And in Your name have cast out devils? And done many wondrous works, in Your name?'
²³Then I will profess unto them clearly, 'I never knew you, depart from Me you workers of iniquity.'

CWDS Bible Quotes

Judgment pressed down shaken together and running over is yours if you judge, for whether judging or giving, you muster your measure by the measure you mete.

We are not called to judge but to love; without absolute knowledge of the past, present, and purpose, all judgment is unrighteous; we discern and then we speak; judgment belongs to God; discernment comes from Him.

You spot the speck to speck (minimize) the spot (blemish) in you, but the speck you spot is a picture of the spots and blemish you sport but ignore in your specking.

Do not be bothered about places and people where, who you are and what you carry, is not recognized or honored; they will harm what they do not honor; protect your gift; keep them away.

Keep asking, it is coming; keep knocking, it is cracking;

your answer is already out of His heart and wrapped up in your ask; what you seek is already dispatched and wrapped up in your knock.

There is no father like your heavenly Father who goes further than your earthly fathers to ensure you get constant access to good things only from His heart of love.

Easy road is no evidence of easy load, it is just a fast way towards arduous extensive suffering; not because it is wide means it is wisdom; the end justifies the route and the evil covering the extensive suffering.

It is easy to follow the crowd because they follow the easy road to the destructive end; lose the crowd on the rough and difficult road to find your extraordinary and rewarding end.

Be wise to their disguise or you will be wronged to your demise; they may hide the truth but they cannot hide their fruits.

It is not where they take root that matters but the taste of their fruit; the fruit will help you decide whether to give them fire or place them higher.

They may look good, feel good, smell good but if they do not taste good they are no good; a bad tree can wear good but cannot bear good.

It is not the call of your heart that captures His heart but the heart of your call which is your obedience to the

Father; it is not what you will of Him that determines what you get of Him but your response to His will of you.

Your anointing may work even when your relationship is of no worth; it is best to know Him before you show Him for you are nothing if He does not know you.

Pay attention to your spirit above your prophecy and wonders for you can preach many in and preach yourself out; (you yourself be cast out) your own words will rise in judgment to oust you.

It is not the house that you build that matters, it is the strength of the foundations; the only solid spiritual foundation is the word of God, not just hearing but performing.

Knowing about a thing gives you eloquence and articulation; knowing it personally gives you authority. Authority is given by the author, not just knowing about Him but knowing Him.

PRAYER POINTS

Merciful Father, keep my heart pure in Your presence; break the spirit of judgment over my life, in the name of Jesus. Amen.

Most Holy God, baptize the house of believers with a spirit of absolute love and restoration; remove judgment far from us. Amen.

Search me O Lord; know my heart; see if there is any wicked way in me; cleanse me of all unrighteousness. Amen. My Father my God, surround me with people who will honor me and celebrate me; give me the grace to avoid those who will not honor Your deposits in my life. Amen. Most High and righteous God, at midnight you will hear me knocking; at midday you will hear me knocking; I will keep knocking to keep the door of heaven open. Amen.

1 JOHN 4 FROM THE CWDS BIBLE WITH QUOTES AND PRAYERS

LOVE one another, for this is the proof that Christ is in you, perfected in you, and that you know Him of a truth. There is no fear in love; perfect love casts out all fear. In you God lives, you are born of Him, if you confess Christ with your mouth; For as He is, and He is Love, so are you in this world.

1 JOHN 4

¹Beloved, do not believe every spirit, but test the spirits, whether they are of God; because many false prophets have gone out into the world.

²By this you know the Spirit of God: Every spirit that confesses that Jesus Christ has come in the flesh is truly of God,

³but every spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is that spirit of antichrist, which you have heard should come and is already in the world, even now.

⁴You are of God, little children, and have overcome them, for greater is He who is in you than he who is in the world.

⁵They are of the world, and therefore they speak as of the world, and the world hears them.

⁶We are of God. He who knows God hears us. He who is not of God does not hear us. By this we know the Spirit of truth, and the spirit of error.

⁷Beloved, let us love one another, for love is of God; and everyone who loves is born of God and knows God.

⁸He who does not love, does not know God, for God is love.

⁹In this the love of God was manifested toward us, because God sent His only begotten Son into the world, that through Him we might live.

¹⁰In this is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins.

¹¹Beloved, if God so loved us, we ought to love one another also.

¹²No man has seen God at any time; If we love one another, God abides in us and His love has been perfected in us.

¹³We know that we dwell in Him and He in us by this, because He has given us of His Spirit.

¹⁴And we have seen and do testify that the Father has sent the Son to be the Saviour of the world.

¹⁵Whoever confesses that Jesus is the Son of God, God dwells in Him God, and he abides in God as well.

¹⁶And we have known and believed the love that God has for us. God is Love.

He who abides in love abides in God, and God in him.

¹⁷In this is our love made perfect: that we may have boldness in the day of judgment; because as He is, so are we in this world.

¹⁸There is no fear in love, but perfect love casts out all fear, because fear causes torment.

He who fears is not yet made perfect in love.

¹⁹We love Him because He first loved us.

²⁰If a man hates his brother, yet says, "I love God," he is a liar; he does not speak the truth.

For he who does not love his brother whom he has seen visibly,

how can he love God whom he has not seen?

²¹And we have this commandment from Him: that He who loves God also love His brother.

CWDS Bible Quotes

We are spirits and therefore we revert and defer all decisions to the Spirit before we react or respond in the flesh.

False prophets will appear real and genuine but you cannot be fooled if you silence the emotions and hear the Spirit; your ear hears the voice and words of the prophecy but your spirit sees the spirit of the prophet.

Whether they are of God or not, if they confess the coming of the Son of God, it concludes the Spirit as God's for no other spirit can confess Him.

The spirit of the antichrist can possess any person in any position to deny Christ; you must therefore hear the spirit above the person.

It does not matter what the world comes with, you have overcome the world.

The big 'He' who is in the small you, makes diminutive the exaggerated 'he' who is in this big wide world. Man is no match for spirit (any one) but spirits are no match for the Holy Spirit.

Your arguments determine your attraction which determines your audience. The spirit of your argument attracts its own audience by the law of attraction; the spirit of truth attracts the righteous; the spirit of error attracts the world.

Those who are of the world speak like the world, has the open ears of this world but a closed heavens; the speech of those who are of God has the open ears of God and those who hear God are hated by the world.

You are born into love if you are born of God and you demonstrate love, for to know God is to know love and to know love is to show love for there is no love without God and no God without love; God is love.

There is no passive love but proactive and demonstrated love. Love experienced should be love reciprocated.

Love is always first to respond and to reach out; but love received should be love released. The love that found you in sin should leave us in love with Him and in love with each other.

No one has seen God in person, but they can see God in perfection by the demonstration of His love in you.

1 JOHN 4 FROM THE CWDS BIBLE WITH QUOTES AND PRAYERS

The Spirit of the Lord abiding in us is our assurance that we abide in God and our testimony that God sent His Son to save the world.

Your confession of Christ is Your assurance of life and that you are firmly in God.

You do not have to fight with faith or fear to fail your eternal hope; you just need to be filled with love and to stay in love to be assured that you are clear in love and you are grounded in God and in His promise.

The perfection of love in us is the projection of who He is in eternity through us in this world; it is the confidence we take with us in the Day of Judgment.

Love has no fear but all confidence, for love calls to love with all purity and love responds with love even to impurity; your fear is the evidence that your love is not perfect.

His love for us ignited His love in us and excited our love for Him; we thirst for love because He first loved us.

God is your brother in the visible demonstration of your love; if your brother is a bother then your love for God is a lie.

PRAYER POINTS

By the power of the Holy Spirit in me, I refuse to give my flesh permit to respond to flesh; I am spirit and the Spirit in me is my orator.
Amen.

Spirit of discernment, consume every believer and especially every leader in ministry.
Amen.

Jesus Christ, You are the Son of God who came into the earth and died for the sins of every human being. Amen.

Power to understand the spirits in the persons we relate to and to address the spirits above the persons, be upon believers today. I assign fire to the spirit of distraction. Amen.

Thank You Father that through Your Son Jesus Christ it is not possible for me to fail; I have already overcome. Amen.

THE CASE OF THE ABANDONED CHILD—BILL WILSON

“James, Jackie, Wilson, Heather, Munroe... all on board!” the bus volunteer said as she prepared to take another bus load of children to their homes. Bill Wilson observed as the children were numbered and the buses left. This was another exhausting week for him, but very fulfilling.

The children had received all they came for and more today. They were excited and they were ministered to. Bill Wilson operated a high energy Sunday school in the heart of the slums of New York City. He had activities ranging from money grabbing, to motor bikes, to illusions, to... whatever it took. According to Bill, he did whatever it took to get the children out. Bill currently ministers to over twenty-five thousand children in his Sunday School on a weekly basis. He has easily the largest Sunday school in America and the world today.

A tear falls from the face of Bill Wilson. He shakes his head. Every time he picks up a child off the street of New York to bring in for ministry he is picking up himself. Bill Wilson and this ministry would not exist but for the kind act of one missionary.

“Stay here Bill, I will return soon!” Bill could hear the distinct voice of his mother. It was a voice that he loved so much. They did not have a lot but she was always there and that was enough for him. She struggled to survive but she loved him and that was enough.

He watched her leave, knowing she would return soon. She always did. Bill was left alone on a street corner in the city, a small child of just twelve years old.

“Why is mummy taking so long?” Bill remembered saying to himself about twenty minutes later. He realized something must have been drastically wrong as the minutes turned to hours and the hours dragged on into the night. Tortured by the cold night, Bill could feel the pain of hunger in his stomach. He had nothing to eat and he did not dare move in the event his mother would return. He certainly did not want to miss her.

One night passed, then another and Bill fought off the feeling that his mother was not coming back this time. It was too frightening a thought to imagine. Where would he go? What would he eat? How would he survive? “No, I will not go!” He said to himself through the tears and the pain and the hunger. These pangs were even more severe because of his age. Frightened and hungry, this abandoned boy, feeling betrayed, just sat there.

It was there that a Christian gentleman found him three days later. Hundreds of persons had passed him by over the three days. They must have seen this destitute child trapped in his misery as they passed, but no one stopped. He could recall the kind words of the Christian man. He was on his way to visit his sick son in the hospital but he took the time to care. Bill Wilson gives thanks to God everyday that it is a Christian who found him.

He was on his way to give Bill something to eat, and took him to a Sunday School Camp.

Kingdom Positioning — EVERY GIFT PERPETUATES

He paid the full fee for Bill's admission. This is where Bill Wilson met Jesus. This gentleman did everything the good neighbor, the Samaritan, did in the story of Jesus.

"Yes!" Bill Wilson said softly to himself as a faint smile briefly visited his tired lips, "I am who I am today because somebody cared."

"Metro Ministries Sunday School is a product of the effect that a Sunday school camp had on me." Bill Wilson thought as he considered the struggles of his ministry and his sacrifices to raise finances. He remembered the time he was shot through the face; he considered the dangers to himself and his staff everyday in the slum of New York City; he remembered the time he found a staff member dead outside his church. "What if the Sunday School Camp had closed its doors because of financial or other struggles? It would have missed this global and generational tree.

I am who I am today because somebody cared- cared enough to pick me up; cared enough to pay my price; cared enough to run a Sunday School Camp; cared enough to persevere.

This is what I want these children I minister to every week to say, 'I am who I am today because somebody cared.' This is what I want their children also to say about them, 'I am who I am today because somebody cared.' This is what I want everyone their children will impact to say, 'I am who I am today because somebody cared.'"

Somebody saw Jesus, sitting by the wayside, in trouble and destitute, and stopped to care. Now, look at the impact that Jesus is having in New York City! It is, indeed, the impact of a seed.

"For as much as you do to the least of these, you do it to Me..."

Jesus is presenting Himself in many forms, ministries and persons, waiting for a generous transfer to create a generational impact; to continue a building He started centuries ago. In accordance with His words, "I will build My church!" God has multiplied the seed of this missionary's kindness and increased the fruit of his righteousness. ***We must never get tired of doing good, for although it may not always be visible, every gift perpetuates. In due season we will reap...!***

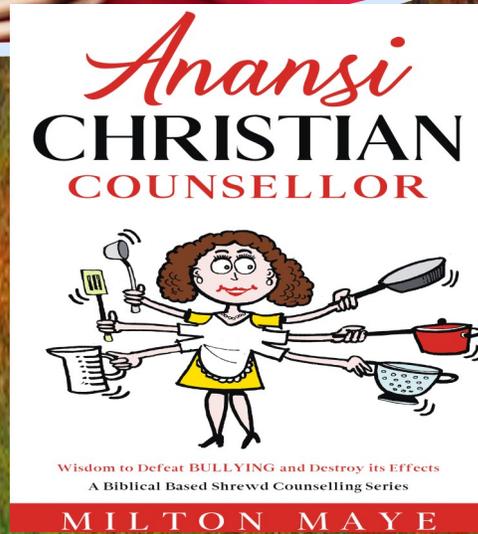

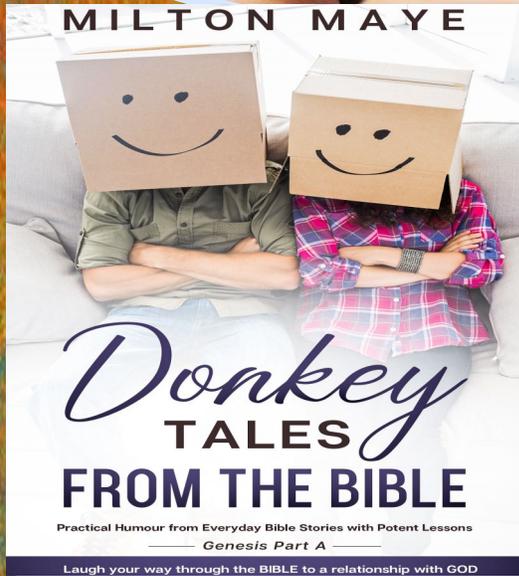

THE STORY OF THE ABANDONED CHILD IS PERSONAL FOR THOUSANDS OF CHILDREN AND FAMILIES IN NEW YORK CITY AND ACROSS THE GLOBE; IT IS A STORY THAT GIVES CREDENCE TO THE POTENCY AND GENERATIONAL IMPACT OF A SEED INTO A MINISTRY OR A LIFE!

HEAVEN ALONE KNOWS THE AMOUNT OF OPPORTUNITIES WE HAVE MISSED TO CREATE AN IMPACT; HISTORY GLORIOUSLY RECORDS THE ONES TAKEN.
